

### REMARKS

Applicant understands that the Reply and Amendment filed on August 7, 2006, is considered non-compliant and therefore has not been entered.

Claims 1-26 are pending.

Claim 3 is amended to correct an informality by deleting the word "and" and to depend on claim 2.

Claim 6 is amended to depend on claim 5.

Claims 4, 19, and 26 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. In response, claims 4, 19, and 26 are amended to insert the phrase "and less than 25:1" in order to be consistent with claims 3, 18, and 25, respectively.

It is believed that the claim amendments do not introduce new matter.

The subject application is now believed to be in a condition for an allowance of claims 1-26 and such action is respectfully requested.

Respectfully submitted,

UOP LLC
